WINDERMERE ELEMENTARY SCHOOL, "Where Children Soar" November 3, 2023

Happy November Windermere Elementary School families,

Time flies and here we are in November! I hope this newsletter finds you and your family well and looking forward to a wonderful weekend. Winter is almost here, and our students have been enjoying recess time with snow! Pretty soon we will be able to have the sleds out for students. I would like to take this time to thank our generous Parent Council for some of the fun things our students have access to, like sleds and outdoor equipment. We appreciate our volunteers immensely and if you are interested in joining PAC, please let the office know so we can connect you with our PAC Co-Chairs. We have a meeting on Monday, November 6 at 6:30 if you can join. New members are always welcome and appreciated and it is a great way to stay connected with your child's school and community.

Best wishes for a great November!

Sincerely,

Keri Gust

DRESS FOR THE WEATHER!

The days are getting colder.
Please ensure that your child is
dressed appropriately for the weather.

**Students go outside every day.
Please make sure they are prepared everyday!**

How to Dress for the Weather Guide

Outdoor play is a great way to support healthy growth and development. Opening the doors to outdoor play in all kinds of weather provides children and adults with opportunities to spark their curiosity, leading to wonder, exploration and learning. When children have the right clothing for the season it contributes to them having positive, rich outdoor play experiences that just can't happen indoors. Get outside, be curious, let children lead and have fun!
